LOAN COMPANIES

LOANS ON PIANOS AND FURNITURE

For many reasons we recommend that you place your loan on security of this character. Next to real estate, personal property is the best security you can offer and therefore you get a lower rate of interest than on more doubtful collateral. Furthermore, you are not required to ask a friend to indorse your note, thus keeping the matter private. Besides, if you ask a friend to indorse you, he will expect you to return the favor, and eventually you may have to pay his debt.
